I believe that every person has worth as an individual.

I believe that every person is entitled to dignity and respect, regardless of race or color.

I believe that every thought and every act of racial prejudice is harmful; if it is my thought or act, then it is harmful to me as well as others.

Therefore, from this day forward **I will** strive daily to eliminate racial prejudice from my thoughts and actions.

I will discourage racial prejudice by others at every opportunity.

I will treat all people with dignity and respect; and **I will** strive daily to honor this pledge, knowing that the world will be a better place because of my effort.
